

move in today!

Is there any address in the financial world more prestigious than Wall Street? Steps from the New York Stock Exchange, our 48 Wall Street serviced office Business Center offers tastefully modern furnishings, advanced technology, and a full complement of support services and staff. If you don't want to work in New York City, but your business requires a presence there, take advantage of our Virtual Office Plan. Our conference center offers a comfortable setting for your meetings, interviews, conferences, and training sessions. We are constantly improving our technology with Internet capacity, unified messaging, state of the art VoIP phone system, and networked printing and scanning capabilities.
